

FAMILY ORIENTATION

Family orientation includes the following:

- Tour the facility
- Introduction to teaching staff
- Parent visit with the classroom teacher
- Overview of parent handbook
- Policy for arrival and late arrival
- Opportunity for an extended visit in the classroom by both parent and child for a period of time to allow both to be comfortable
- Explanation of Texas Rising Star Quality Certification
- Explanation of provider's willingness to be of assistance with elements of CCS enrollment
- An overview of family support resources and activities in the community
- Child development and developmental milestones information

EXPECTATIONS OF THE FAMILY:

It is important that families maintain a consistent arrival time. The educational portion of our program begins in the morning. It disrupts the learning of all children when families come in late. Consistent routines prepare children for the transition to kindergarten.

In order to facilitate better communication between the parent(s) and teacher and the parent and child is best if parents are not distracted by the use of electronic devices while at the center/home.
